Hello,

At first, I would like to present myself. My name is P. , I'm 18. I have turquoise eyes, short, black hair. I'm tall and I don't wear glasses ;) Maybe something about my family now. I don't have any brothers and sisters. My mom is a lawyer. My dad is a director of a company. I have a girlfriend. Her name is Alice. She's tall, she has long blond hair, and I think she's very pretty.

What about my school? I study in a high school, I'm in the third class. My hobby is definitely connected with sport. I like cycling, swimming, jogging, but my very best hobby is football. I love to play football, also I like watching football matches on TV. I'm a huge fan of Manchester United.

What else about me? I'm a very nice and funny guy. I'm a talkative person. I often use ironic and sarcastic jokes, what is not the best part of me. Also I'm very helpful and sympathetic guy.

I think that it will be all.

Bye bye.

P.

Hello,

It's me again ;) This time I'm going to share with you some information about my hobbies.

At first, I like sports - football, volleyball, swimming, cycling, etc. And I try to spend a lot of time doing them. Football is really my very best hobby. I love playing it. I'm a right winger-striker. Also I'm a huge fan of the best team in the world – it's Manchester United. I started to watch their matches, when I was a child. My dad bought me my first Manchester United kit in 1999, with 18-Scholes on the back. After that 'Red Devils' has been my favourite team until today.

I also like cars, that's why I have chosen the car school I go to. My favourite cars are Lamborghini Mucilage, BMW e46 and Audi A3. My dad has got a BMW X6, which I really like, too. I also like to play computer games. I love watching movies - my favourite trilogy is "Pirates Of The Caribbean".

That's all.

Bye

P.

Hello,

I'm W. and in this e-mail I want to tell you something more about my hobby.

My favourite hobby is playing football, I love to run and score goals. I play in a club „Start-Iskra Mokre” and I think I'm good at what I do because I play in the first line-up. I play every day for two maybe three hours. Some people may think that twenty-two adults chasing the ball are like babies, but I don't think so. Football is a beautiful game for everyone. My hobby is maybe not very original but it is very typical of my generation.

Bye bye,

W.
